British American Insurance Steps to Access Medical Service

1. Refer to British American Insurance Medical Service Providers list (MSP) for selection of providers.
2. Member visits the Hospital or Doctor and identifies themselves using British American Insurance Membership Card/smart card
3. Member fills claim form
4. Member gets treated
5. Member collects medicine prescribed from an appointed Pharmacy on our Medical Service Providers list.
6. Member signs off claim form as having received treatment

For Admissions

1. Member identifies them selves using British American Insurance Membership card, hospital/Member informs us of the admission and are admitted by doctors on our Medical Service Providers list panel.
2. Doctor or Hospital fills in pre-authorization form and faxes it to British American Insurance
3. British American Insurance case manager reverts with an authorization letter and shall visit the member whilst admitted
4. Member is treated and discharged and provides NHIF card.
